Loadstar, Inc.

Dear Valued Customer:

With more than 30 years of experience in the trucking industry, our team members struggled to find an accurate, honest, knowledgeable, and reliable freight brokerage. For this reason, we started Freight Connections.

Freight Connections provides all-inclusive, worry-free service. We make sure your customers receive their deliveries when and where you have committed them. We sweat the details for you. We manage the paperwork for you. We monitor the deliveries – so you don't have to. Just call us and tell us what you need. Our services are top-notch in quality and communication.

We know the challenges our customers deal with. Our team members have held multiple positions in the transportation industry from truck driver to transportation manager at leading national transportation companies. We also have team members who have served in the U.S. Army and bring with them the same attitude of mission accomplishment and ethical business conduct we expect from our veterans.

At Freight Connections, we intend to earn and keep your business. We provide accurate, knowledgeable, reliable and honest service.

Sincerely,

Anthony Wilcox, Owner
